

Clickety-clack

Nope, it's not the latest Manolos, just a coupla cool sites we're clicking on this month:

beautyeditor.com.au: This online beauty ed. knows a thing or five about lippie. It's got tips, talks, and, of course, all the latest lust-haves.

aabth.com.au: The official site for the Advanced Association of Beauty Therapists, this is a must if you're wanting to find a reputable therapist for your next indulgent beauty treat.

aabth.com.au:

The official site for the Advanced Association of Beauty Therapists, this is a must if you're wanting to find a reputable therapist for your next indulgent beauty treat.
